Forged in the North

Forged in the North is a collective of photographers & cinematographers based out of Brooklyn, NY. All our work is a result of places we've been and couples we've fallen in love with. We may ask you to hike a dirt trail or climb into an abandoned building, because we aren't satisfied until we know something can't be done any better. But more than anything, we want to tell a story. And you are the story. So come find that perfect light with us and we'll capture you just as you are
